

MASTERING PRESENTATIONS

A two-day workshop for **Busy Professionals** who want to **present effectively, with confidence** and **engage their audience every time.**

Do you.....

- Feel scared or concerned about how you will look in front of an audience?
- Think about how badly it will go and how you're 'bound to mess it up'?
- Believe that you are not good in front of people?
- Wish that for once it could be enjoyable rather than a nightmare?

Would you and your company benefit if you could.....

- Easily and effectively deliver presentations whenever needed?
- Deal appropriately with difficult delegates?
- Plan what you will do and do what you have planned?
- Feel more in control of the room and the audience?

If you've answered **'YES'** to any of the above
then this course is tailor made for you!

“There are always three presentations, the one you planned to give, the one you actually gave and the one you wished you had given”

Workshop overview.....

The ability to influence an audience is the difference between mediocrity and excellence. Many people spend a large amount of time worrying about how they will look or how badly their presentations will go.

Join us on this intensive 2-day workshop to develop presentation resilience, the skills and attitudes required to perform in front of any audience. Using stage craft, performing arts and a keen business acumen you will become much more comfortable with the one to many relationship.

You should attend if.....

You want to further develop your ability to deliver presentations with excellence!

You will learn how to.....

- Feel comfortable in front of an audience
- Use body Language to create and alleviate tension
- Deal with hecklers and unplanned interruptions
- Make best use of your environment
- Understand better the one to many relationship

The Workshop will cover.....

- How to 'be' on stage
- Dealing with nerves
- Maintaining a positive state whilst on stage
- Really listening to your audience
- The craft of using body language
- Making incredible entrances and exits
- Influencing the many

"The relaxed 'have a go' style ensured that I was able to truly overcome my nerves and really master my own presentation style – Brilliant!"

(Simon W, Account Management, Finance & Banking Sector)

This workshop will follow an open systems approach, meaning that the delegates will dictate the pace. The trainer will adapt according to the individual needs of the group. A 'small teams' policy will ensure that each of you receives a high level of personal service. Resulting in more time focused on what you really need. Each delegate will have the opportunity to present and receive optional feedback. Developing skills in 2 days that have taken 30 years to master.

In a safe and co-coaching atmosphere delegates will have the opportunity to demonstrate presentation skills throughout the 2 days. At the end of the workshop all of these tools will be made available to course participants for their own use.
